

## OFFICE OF THE PUBLIC AUDITOR

### New CID Investigator Hired

May 9, 2012

The Office of the Yap State Public Auditor (OPA) is pleased to announce the hiring of Leelkan P. Southwick, as Investigator for the new Compliance Investigation Division (CID).

Leelkan's previous work experience includes six years as a marketing specialist for a firm located in Los Angeles, California, and as a part-time instructor for three and half years at the College of Micronesia. Leelkan earned a Master of Business Administration (MBA) in Public Administration from Regis University and completed her undergraduate work at Mount St. Mary's College in Los Angeles.

We are fortunate to have Leelkan join CID because of her strong analytical and interpersonal skills. Leelkan said she is excited to be a part of something so very important to the government and believes this division could help promote good governance. Chief Investigator Sophia Pretrick added she is happy to have Leelkan join CID and is looking forward to working with her.
